

2013 Performance Based Contract Training WWWP Program Update

State & Federal Priorities

To provide low-income, uninsured or underinsured, and underserved women access to timely breast and cervical cancer screening and diagnostic services.

Budget Changes

The WWWP will provide level funding to the local health departments and contracting agencies.

Template Objectives

Same template objective as last year:

By December 31, 2013, (insert number) (insert name) County residents ages 35-64 years will be screened through the Wisconsin Well Woman Program.

Boundary Statement & Quality Criteria

Same Boundary Statement and Quality Criteria as last year.

Absolute “no’s”: Enrollment and/or screening of women under the age of 35 (please see program exceptions for women ages 35-44). Exceptions can be found in the Policy and Procedures Manual. This manual can be found on the WWWP web, under the Policy and Procedures page:

<http://www.dhs.wisconsin.gov/womenshealth/wwwp/PolicyandProceduresManual.htm>

Data Collection

Data is collected through WWWP’s fiscal agent, HP. That data is then downloaded into WWWP’s database, CaST.
